## Agenda topics

<b>CREOSOTE PRESENTATION</b>	
	Creosote Affects gave a marketing presentation. The information will be discussed and referred to the new Dean of Enrollment Management and the marketing committee. Contact Chad Patton or Christie Hales to view a copy of the marketing presentation.
<b>ENROLLMENT</b>	
	Enrollment for the summer is up 8.2% over last year at the same time.
<b>DEVELOPMENTAL ENGLISH</b>	
	Discussed the developmental English redesign process. There is concern that it has not been properly vetted. The College is exploring ways to make the new format work for Southside.
<b>GRADUATION SPEAKER</b>	
	Mrs. Lisa Back will be the graduation speaker this year.
<b>BUDGET/POSITION DISCUSSION</b>	
	The college's budget is \$260,000 lower than last year's amount. The College was approved for two more fulltime faculty positions.

- Because of the length of the marketing presentation President Staff did not take updates from around the table.
