

PRESIDENT'S STAFF MEETING
Christanna Campus
October 9, 2009
Minutes

Enrollment	FTES up 11.2% over same date last year. Our PELL recipients are up by 51%.
CEED Grant	Considering applying through the E-Learning track for doing Tech Camps for adjuncts, primarily, and Smart Thinking units to extend to dual enrollment and off-campus students. Due October 30. Will ask Kelly Goscinski and Ashley Leslie to work on this application.
Classified Evaluations	Due Friday, October 16.
Superintendent's Meeting	October 20 on Daniel Campus
Career Studies Certificates	CSC's in five areas, for DCE only, have been recommended by Instructional Affairs and were approved by President's Staff. Will be taken to the SVCC Board next week.
Construction Technology	Tom Wisbey, Mary Jane Elkins, Debra Smiley, and Rosa Hawkins will work on this supported by a Tobacco Commission Grant. A curricular planner will be hired to carry out the grant objectives.
Thinking Green Conference	Ms. Elkins reported on the many ideas generated from this conference attended by several SVCC employees. Teaching green and sustainability is the first step.
