

Faculty Staff Development Meeting
Minutes
March 11, 2008

Present: Bethany Harris, Stanley Johnson, Connie Nichols, Linda Sheffield, Anita White

Absent: Gunay Smith

Recommendations
to President's Staff:

1. Pay \$343 each for the following people to attend the New Horizon's Conference
Dexter Andrews, Jerry Chaney, Gadi Gadiyaram, Joan Tuck, and Katrina Wells

The committee had previously set aside money for 10 participants from each campus to attend the New Horizons. This leaves 6 participants for the Daniel Campus and 9 for the Christanna Campus.

The committee recommends to pay \$343 (including registration fee) as long as the participant is staying two nights and \$195 (including registration fee) if the participant is staying one night.

2. Pay \$1,342 for Stanley Johnson to attend NISOD International Conference on Teaching and Leadership.
3. Pay \$570 for Dwayne Tharpe to attend Automation Studio Software Seminar. Dwayne will share this information with his counterparts.
4. Pay \$2,950 each for Bernadette Battle and Teresa Hudson to attend the Summer Institute on Experiential Education. Bernadette and Teresa will give a presentation on this Institute to the QEP/TLTR Committee.

Adjunct Faculty: Bethany Harris had notified the Deans of Instruction about possible training and programs for adjunct faculty. Linda Sheffield said this was also in the President's Staff minutes. Bethany Harris also suggested that it be mentioned at the next QEP meeting.

Gunay Smith: Bethany Harris will contact Tom Wisbey and request the faculty select a replacement for Gunay Smith on the Faculty Staff Development Committee.
